## CORRECTIONS:

Pg.	Ln.	Now Reads	Should Read	Reasons Therefor
5	22	courses	sources	Wrong word
8	14-15	over the course of a period of time	over the course of time	Corrected phrasing
12	16	are you talk about	are you talking about	Wrong word
13	9-10	I knew that there was interaction with zoning code and to still be compliant with the zoning code	I knew that there was interaction with the zoning code and the application still had to be compliant with the zoning code	Corrected phrasing
24	12-13	me ever getting involved something like a big development could	me ever getting involved just like a big development could	Corrected word
26	24-25	I don't recall seeing this until preparing for the deposition shown to me	I don't recall seeing this until preparing for the deposition when it was shown to me	Corrected phrasing
27	11-12	helping him draft like language	helping him draft this language	Missing words
31	14	I don't recall ever making that sentiment, no	I don't recall ever making that statement, no	Wrong word
45	21-22	until I got a letter with a lawyer letter like this thinking, ope, I better engage here	until I got a letter from a lawyer letter like this and think, OK, I need to engage here	Corrected words and phrasing
46	17-18	And I said, "George, I think you're right."	And I said to George, I think you're right.	Missing word
49	6	There is	This is	Wrong word
49	22	Well, they would have	Well, I would have	Wrong word
50	5-7	I didn't agree with his position that the lighting application was	I didn't agree with this position, that the lighting application was	Corrected phrasing

		going to be denied and sent him our response and go from there.	going to be denied, and then sent him our response and go from there.	
54	22-23	I mean, it didn't give me a time period	I mean, you didn't give me a time period	Corrected word
71	20-21	That was leading up until the ZBA meeting. Edgewood had asked us	Leading up until the ZBA meeting, Edgewood had asked us	Corrected phrasing
73	1	it wasn't altogether thinkable	it wasn't altogether unthinkable	Corrected word
73	23	so if you don't have	so if you want not to have	Corrected phrasing
86	20-22	I don't recall the specific date. It would have been sometime between when they requested to terminate the master plan and when it was introduced.	I don't recall the specific date. It likely would have been sometime after Attorney May's July 12 letter and when I left for vacation	I believe I misspoke and in thinking further on this, I believe I would have written it before I went on vacation so Atty. May would not have to do this if it came in while I was on vacation
88	6	drafted between 3- and 500 ordinances	drafted between 300 and 500 ordinances	Corrected word
102	13-14	I can't say that it's not impossible, but I can't say it's not possible.	Typically no; it is possible but it would be rare	Clarification of multiple double negatives
106	11-12	I don't recall drafting the titles. It wouldn't have been my responsibility to do that.	I don't recall drafting the titles. It would normally have been my responsibility to do that.	Corrected word
